Sir:

In response to the Official Notice dated May 29, 2003, in respect to the above-identified patent application, Applicant requests withdrawal of the abandonment of the application. Applicant's undersigned counsel is enclosing true copies of the Amendment, dated February 4, 2003, which was submitted by facsimile to the United States Patent and Trademark Office on that date, to fax number 1-703-872-9326; a transmittal of said Amendment; a fax cover sheet identifying the amendment as an attachment; and the fax confirmation receipt in connection with the facsimile transmission of said Amendment. From these papers it is apparent that the responsive amendment was timely filed at the USPTO, but somehow once there was not associated with the application. The holding of abandonment is in error, and should be withdrawn.

Respectfully,

Bernhard P. Molldrem, Jr.
